### Important Announcement

Due to the new CDC recommendations not to hold gatherings of 50+ people, we have ***cancelled*** the FMS Users' Conference that was scheduled to be held Monday, March 23 - Thursday, March 26, 2020.

At this time there is no plan to reschedule the conference for this year. We pray each of you and your families stay healthy and that we'll all very soon be back to our normal daily routines.

Thank you.
